

PAGES EXCOM Meeting Minutes

22 May 2018

Minneapolis, USA

Members: Mike Evans (Co-Chair), Willy Tinner (Co-Chair), Darrell Kaufman, Pascale Braconnot, Katrin Meissner

IPO Staff: Marie-France Loutre

Absent: Lucien von Gunten

1. New PAGES working groups

EXCOM approved the creation (new or extension) of the following working groups, subject to meeting specific conditions:

Proponent	Title of proposed working group
Natasha Barlow	PALeo constraints on SEA level rise (PALSEA) (<i>extension</i>)
Matthew Toohey	Volcanic Impacts on Climate and Society (VICS) (<i>extension</i>)

2. Supported workshops

EXCOM determined that support would be granted for the following workshops, subject to meeting specific conditions:

PAGES Working Group Meeting Proposals		
LandCover6k - Paleoclimate experiments to evaluate impact LULC <i>Sitges, Spain</i>	24-28 Sep 2018	Sandy Harrison
LandCover6k - Pollen based estimates of past land cover in South and Southeast Asia <i>Pondicherry, India</i>	11-15 Sep 2019	Anapuma Krishnamurthy
C-SIDE - Developing Data and Modeling Capacity in the Southern Ocean <i>Vancouver, Canada</i>	24-26 Oct 2018	Karen Kohfeld
Extremes IA - Climatic and hydrological extremes: linking instrumental period <i>Koblenz, Germany</i>	18-20 Feb 2019	Stephan Dietrich
CVAS - Spatio-temporal scaling of variability across the Holocene <i>Seattle, USA</i>	24-26 Oct 2018	Cristian Proistosescu
DAPS - Applying and comparing proxy system models and data assimilation methods <i>USA or China</i>	29-31 May 2019	Mike Evans
CRIAS - Methods and Interdisciplinary Communication in Historical Climatology <i>Bern, Switzerland</i>	1-2 Oct 2018	Chantal Camenisch

VICS - Volcanic Impacts on Climate and Society: The Common Era etc <i>Cambridge, UK</i>	13-16 Apr 2019	Celine Vidal
2k Network PALEOLINK Project - A joint effort to bring together GCM, RCM and proxy communities <i>Murcia, Spain</i>	February 2019	Juan Jose Gómez-Navarro
2k Network CLIVASH2k Project - Climate variability in Antarctica and the southern hemisphere over the past 2000 years <i>Cambridge, UK</i>	3-4 Sep 2018	Liz Thomas

Open Call and Educational Meeting Proposals		
13th International Conference on Paleooceanography <i>Sydney, Australia</i>	1-6 Sep 2019	Laurie Menviel
PaleoENSO <i>Belitung Island, Indonesia</i>	25-30 Aug 2019	Mary Elliot
CLImatic MOdes of VARIability (CLIMOVAR) over the Holocene: model-data synergies to improve future projections <i>Barcelona, Spain</i>	Spring-Summer 2019 (3 days)	Armand Hernández
2019 Summer School on Speleothem Science (S4) <i>Cluj, Romania</i>	11-17 August 2019	Brittany Ward

3. Next EXCOM and SSC meetings

The next SSC and EXCOM meeting will take place in Addis Ababa, Ethiopia, between 25-30 March 2019. IPO to work with Asfawossen Asrat on logistics.

The next EXCOM online meetings will take place on 8 and 9 November 2018.

5. New SSC members 2019

Pascale Braconnot, Hugues Goosse and Yusuke Yokoyama will rotate off the SSC at the end of 2018. Extensive discussion on excellent candidate nominations. Decision made to invite Paul Valdes and Boris Vannière to join SSC from January 2019.
