#### **4. Webinar cluster looking for new members**

The webinar cluster is looking for new members, to help us organise our ideas into great webinars. You might be motivated in e.g. expanding your network by reaching out to interesting people such as Thierry Corrège, editor of P3 and speaker in our latest webinar. Or you could be interested in promoting your research field or geographical region, by introducing relevant webinar topics. Or you would just like to organise a great webinar. For any of those reasons, and much more, don't hesitate to contact us. Send an email to [webinar.pages.ecn@gmail.com](mailto:webinar.pages.ecn@gmail.com) for more information.

#### **5. PAGES at EGU 2020**

The EGU General Assembly 2020 will take place from 3 to 8 May, as always in Vienna, Austria. The abstract deadline is 15 January 2020. EGU always hosts many activities organised by and for ECRs. PAGES is involved in a number of planned events as well, which you can always find listed on the [PAGES website](#).

#### **6. Paleo workshop in Vietnam organised by Regional Representative**

The ECR workshop SAPEC-2020 — Data and Methods in Paleo Proxy Sciences, will take place in Vietnam from 6-12 January 2020. The workshop is being combined with the first official gathering of the Southeast Asian Paleo Environments Consortium, and we are proud that our regional representative [Hung Nguyen](#) is one of the co-organizers of this workshop.
